Guidelines on Effective Communication between home and school in response to Covid 19.

Effective Communication Path-ways between Transport Escorts and Class Teachers and SNAs in OLGC School.

Ref; OLGC School Covid 19 Response Plan Sept 2020. OLGC School Cov 19 Risk Assessment. HSE Guidelines. DES Guidelines. N.P.H.E.T

O.L.G.C. School recognises the importance of clear and effective communication between Transport Escorts and Cass Staff of pupils on their routes.

Prior to Covid 19, verbal handover between escorts and SNAs/Teachers at the time of drop-off and pick-up was effective in transmitting messages from home to school, or from transport to school, and vice-versa.

O.L.G.C. School currently operates a handover in keeping with H.S.E. and N.P.H.E.T. regulations; which prioritises the health and safety of staff and pupils by minimising physical contact with individuals.

Our communication system needs to adapt accordingly. **Bus escorts who need to give a message to school staff do so using the following path-ways:**

- 1) **General Information:** *EG Child forgot lunch/school bag; bad night's sleep; being collected by parent/other; birthday; minor injury/ illness (non covid related) cut, scratch, runny nose; mum on holidays; new shoes; etc.*

Escort will email teacher and/or office office@olgcschool.ie to relate information.

Teachers emails are teachersname@olgcschool.ie, eg claireteacher@olgcschool.ie .

COVID 19 RISK ASSESSMENT FOR OLGC SCHOOL SEPT 2021

Escorts may email office requesting a call back from class teacher.

- 2) **Bus information:** *E.G. Bus will not be running; there will be a change of regular staff; bus will be late, problem with car seats; other.*

Escort will call; 021 4878370, or email office office@olgcschool.ie

- 3) **Covid 19:** If, while on the bus, a pupil presents with symptoms, that are a cause for Corona Virus concern as per guidelines on [gov.ie](https://www.gov.ie) and [hse.ie](https://www.hse.ie) the Travel Escort must;
- a) Phone child's parents to relay concern for their child's symptoms. Inform parents that you will contact the school with concern relating to symptoms you observed.
 - b) Phone the school (021 4878370) to relay your concern and identify pupil. The school will then put in place protocols as per the Cov 19 Response Plan relating to use of Isolation Room.
 - c) Pupils who are already on bus will be brought to school. No further pupils should be collected after this point to minimise risk. Escorts should then phone remaining parents informing them that the transport is not available.
 - d) Confidentiality remains your responsibility as a Transport Escort, and information pertaining to pupils on your route cannot be shared with other parents, and non-professionals.
 - e) The H.S.E will inform staff and pupils families in the case of a positive diagnosis through their contact tracing procedure. At all times, OLGC School will follow advices and recommendations from the HSE in managing our Covid Response Plan.

Teachers who need to give information to Transport Escorts will apply the guidelines of Path-ways identified and ring Escorts prior to pick-up time.
