

Dear Parents,

It has been a great start to the school year 2021!

A huge welcome to our 8 new pupils and their families; Shay, Rian, Lottie, Eoghan, Kayla, Sophie, Orla, Conor and Cian. We are delighted to see everyone settle in so well!

I would like to say a special thanks to the Moms and Dads for the tremendous efforts you make each day getting your child ready for school: the getting up time, breakfast time, shower time, the schoolbags, the uniforms, homework, seesaw, junior cycle, lunches, devices, activities, dinner time, more activity time, bed time and repeat!!! September can be pretty hectic for sure. I hope you get a chance to rest and recover over the weekend, the weather is looking good.

Please know that you can contact us at any time by phone or email if you need to chat. Covid remains a serious concern for schools. In the past we would have a parent information evening in September, and parent teacher meetings were face to face. Last year Zoom/phone calls/ outdoor meetings between parents and teachers proved very effective. You can discuss preferences with your class teacher. I am always available to meet with you by appointment through the office. Communication and support between home and school remains a vital element of your child's education, so it is important to stay in touch.
